# ADAPTATION OF THE NEW REGULATION

## A NEW OPPORTUNITY FOR SAILING DEVELOPMENT IN PORTUGAL

**Rui Reis, Federação Portuguesa de Vela  
Portuguese Sailing Federation**

*C3 EV-Final Colloquium Paris, June 29, 2012*

Government Law : 248-A/2008 of December 31<sup>st</sup>

New regulation for coaching education, to be applied to ALL NATIONAL SPORTS FEDERATIONS

**Most important changes:**

- **ALL** Sport Coaches must have a valid coaching certification, issued by I.P.D.J. (Portuguese Institute of Sports and Youth), with the maximum duration of 5 years;
- The coaching certification is renewable, depending on specific criteria (hours of continuing education)
- **ALL SPORTS FEDERATIONS** must restructure their coaching education, following the I.P.D.J. Guidelines. This process was oriented with P.N.F.T. (National Plan for Coaches Education)

# The New Organization of National Coaches Education

**BEFORE**

- Coaches education model decided by the Federation
- Certification issued by the Federation, with no limitations of autonomy and duration of validity

**Transitory period**

- P.N.F.T. development
- Complementary education for coaches, preparing the implementation of the new law

**AFTER**

- Starting June 1<sup>st</sup>, 2012
- Certification issued by I.P.D.J., with limited validity
- Only new model of coaches education

## THE STARTING POINT

**Modelo de desenvolvimento de velejador a longo prazo**

**L.T.A.D. (LONG TERM ATHLETE DEVELOPMENT) applied to Portuguese Sailing**

**This model is a major reference for:**

- Elaborating the new national sailing coaches education;
- Sailing school certification
- Readjusting the national sailing competition format
